Scope and Content Note

The materials in FOIA 22-51429-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-51429-F requested raw and unreleased footage from the July 17, 2015 West Wing Week episode, specifically from time codes :06 - :09, 2:09 – 2:40, and 3:27 – 3:59.

This FOIA primarily contains footage shot by the White House videographer and the White House Communications Agency of President Obama announcing the Iran Nuclear Deal and the New York Times Interview between Tom Friedman and President Obama, both from July 14, 2015; and President Obama's press conference on the Iran Nuclear Deal from July 15, 2015.

System of Arrangement

The materials in FOIA 22-51429-F F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – White House Communications Agency.

White House Communications Agency records are processed at the folder/videotape level. While this method maintains folder/videotape integrity, it frequently results in the incidental processing of videotapes that are not wholly responsive to the subject area.

Container List
