Scope and Content Note

The materials in FOIA 22-21884-F are a selective, not necessarily all-inclusive, body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

FOIA 22-21884-F requested the calendar of Barack Obama for the dates April 4, 2011, through and including April 7, 2011.

This FOIA primarily contains the Presidential Daily Diary for the four days. Also included are schedules, briefing books, emails, and memoranda. These materials are from the Office of Scheduling and Advance.

System of Arrangement

The materials in FOIA 22-21884-F are a systematic body of documents responsive to the topic of the FOIA. Researchers should consult an archivist about related materials.

Documents responsive to this FOIA were found in these collection areas – Staff Member Office Files.

Staff Member Office Files are maintained at the folder level by staff members within their individual offices and document all levels of administration activity. Staff Member Office Files are processed at the folder level, that is, individual documents are not selected and removed from a folder for processing. While this method maintains folder integrity, it frequently results in the incidental processing of documents that are not wholly responsive to the subject area.
