Hi Kaitlin,

These are the ones that should go via dip pouch, so that should work as is.

Thanks,

Carolyn

Subject: China letters address formatting

Hi Carolyn:

I just wanted to confirm that the letters to Wang Qishan and Yang Jiechi are okay to send out as they are? I usually see international letters with the country name at the bottom of the address block and label in all caps, and I don't on these letters.

Thanks and please let me know if I can provide additional information.

Kaitlin

Scroll of Silk Embroidery: the Great Wall

Using the brocading technique, this exquisite scroll was created with natural mulberry silk after a painting of the Great Wall. The sheen of the silk gives it a three-dimension effect. It is of superior quality and easy to keep, with rich colors that do not easily fade.
