The President  
The White House  
Washington, DC 20500

Dear Mr. President:

On Sunday, August 2, Spirit Awakened World Forgiveness Ministry(SAWFM) at Christ Unity Church (CUC) in Sacramento, CA, celebrated International Forgiveness Day by launching a Pledge Campaign to obtain 1 Million commitments to hold an intention for a World of Forgiveness by 2012. It is our goal to obtain these 1 Million pledges by September 11 of this year. Yes, this is a huge goal, but we believe it is possible and we're asking you and your family to join us.

We are sending you signatures representing the 414 pledges that were made through our ministry on International Forgiveness Day. Many more are being submitted toward this goal online at our website [www.spiritawakened.com/pledge.aspx](http://www.spiritawakened.com/pledge.aspx).

SAWFM, an outreach ministry of CUC in Sacramento, CA, is an ongoing spiritual movement for world healing through forgiveness that supports people in releasing and relieving the emotional pain and energy of past hurts and conflicts, and becoming empowered to step into the life they desire. Using simple, step-by-step processes based on the work of author Colin Tipping and its Spiritual Leader, Rev. Sheila Gautreaux-Lee, SAWFM guides individuals and groups in stepping out of victim consciousness and taking back their power from the unforgiveness they carry.

Please take our pledge Mr. President and invite your family, friends, colleagues and others to join us in this worthy cause. Seeing the "conversation over beer at the White House" between Professor Gates and Sgt. Crowley convinced us that we were on the right track.

This campaign costs nothing and the return is greater than any value we could possibly place upon it. We are asking for the "Intention" of a critical mass of the world's population toward a planet that resonates energetically with peace, harmony, love and brotherhood. Dr. Wayne Dyer tells us that the "power of intention" is the greatest creative force in the universe. Let's put that to the test so that we as a nation can support your efforts to bring all nations together at the table of peace. You told us that we are the ones we have been waiting for and are taking that charge seriously by doing our part as co-leaders of this nation.

Thank you, Mr. President, for your time in reading this letter and taking our pledge.

With highest regards,  
  
Rev. Sheila Gautreaux-Lee  
Founder & Spiritual Leader
